Every industry has its **challenges.**

At PayRetailers, we remove industry barriers so your business can focus on what it does best.

Say goodbye to:

Complicated integration due to fragmented local payment methods

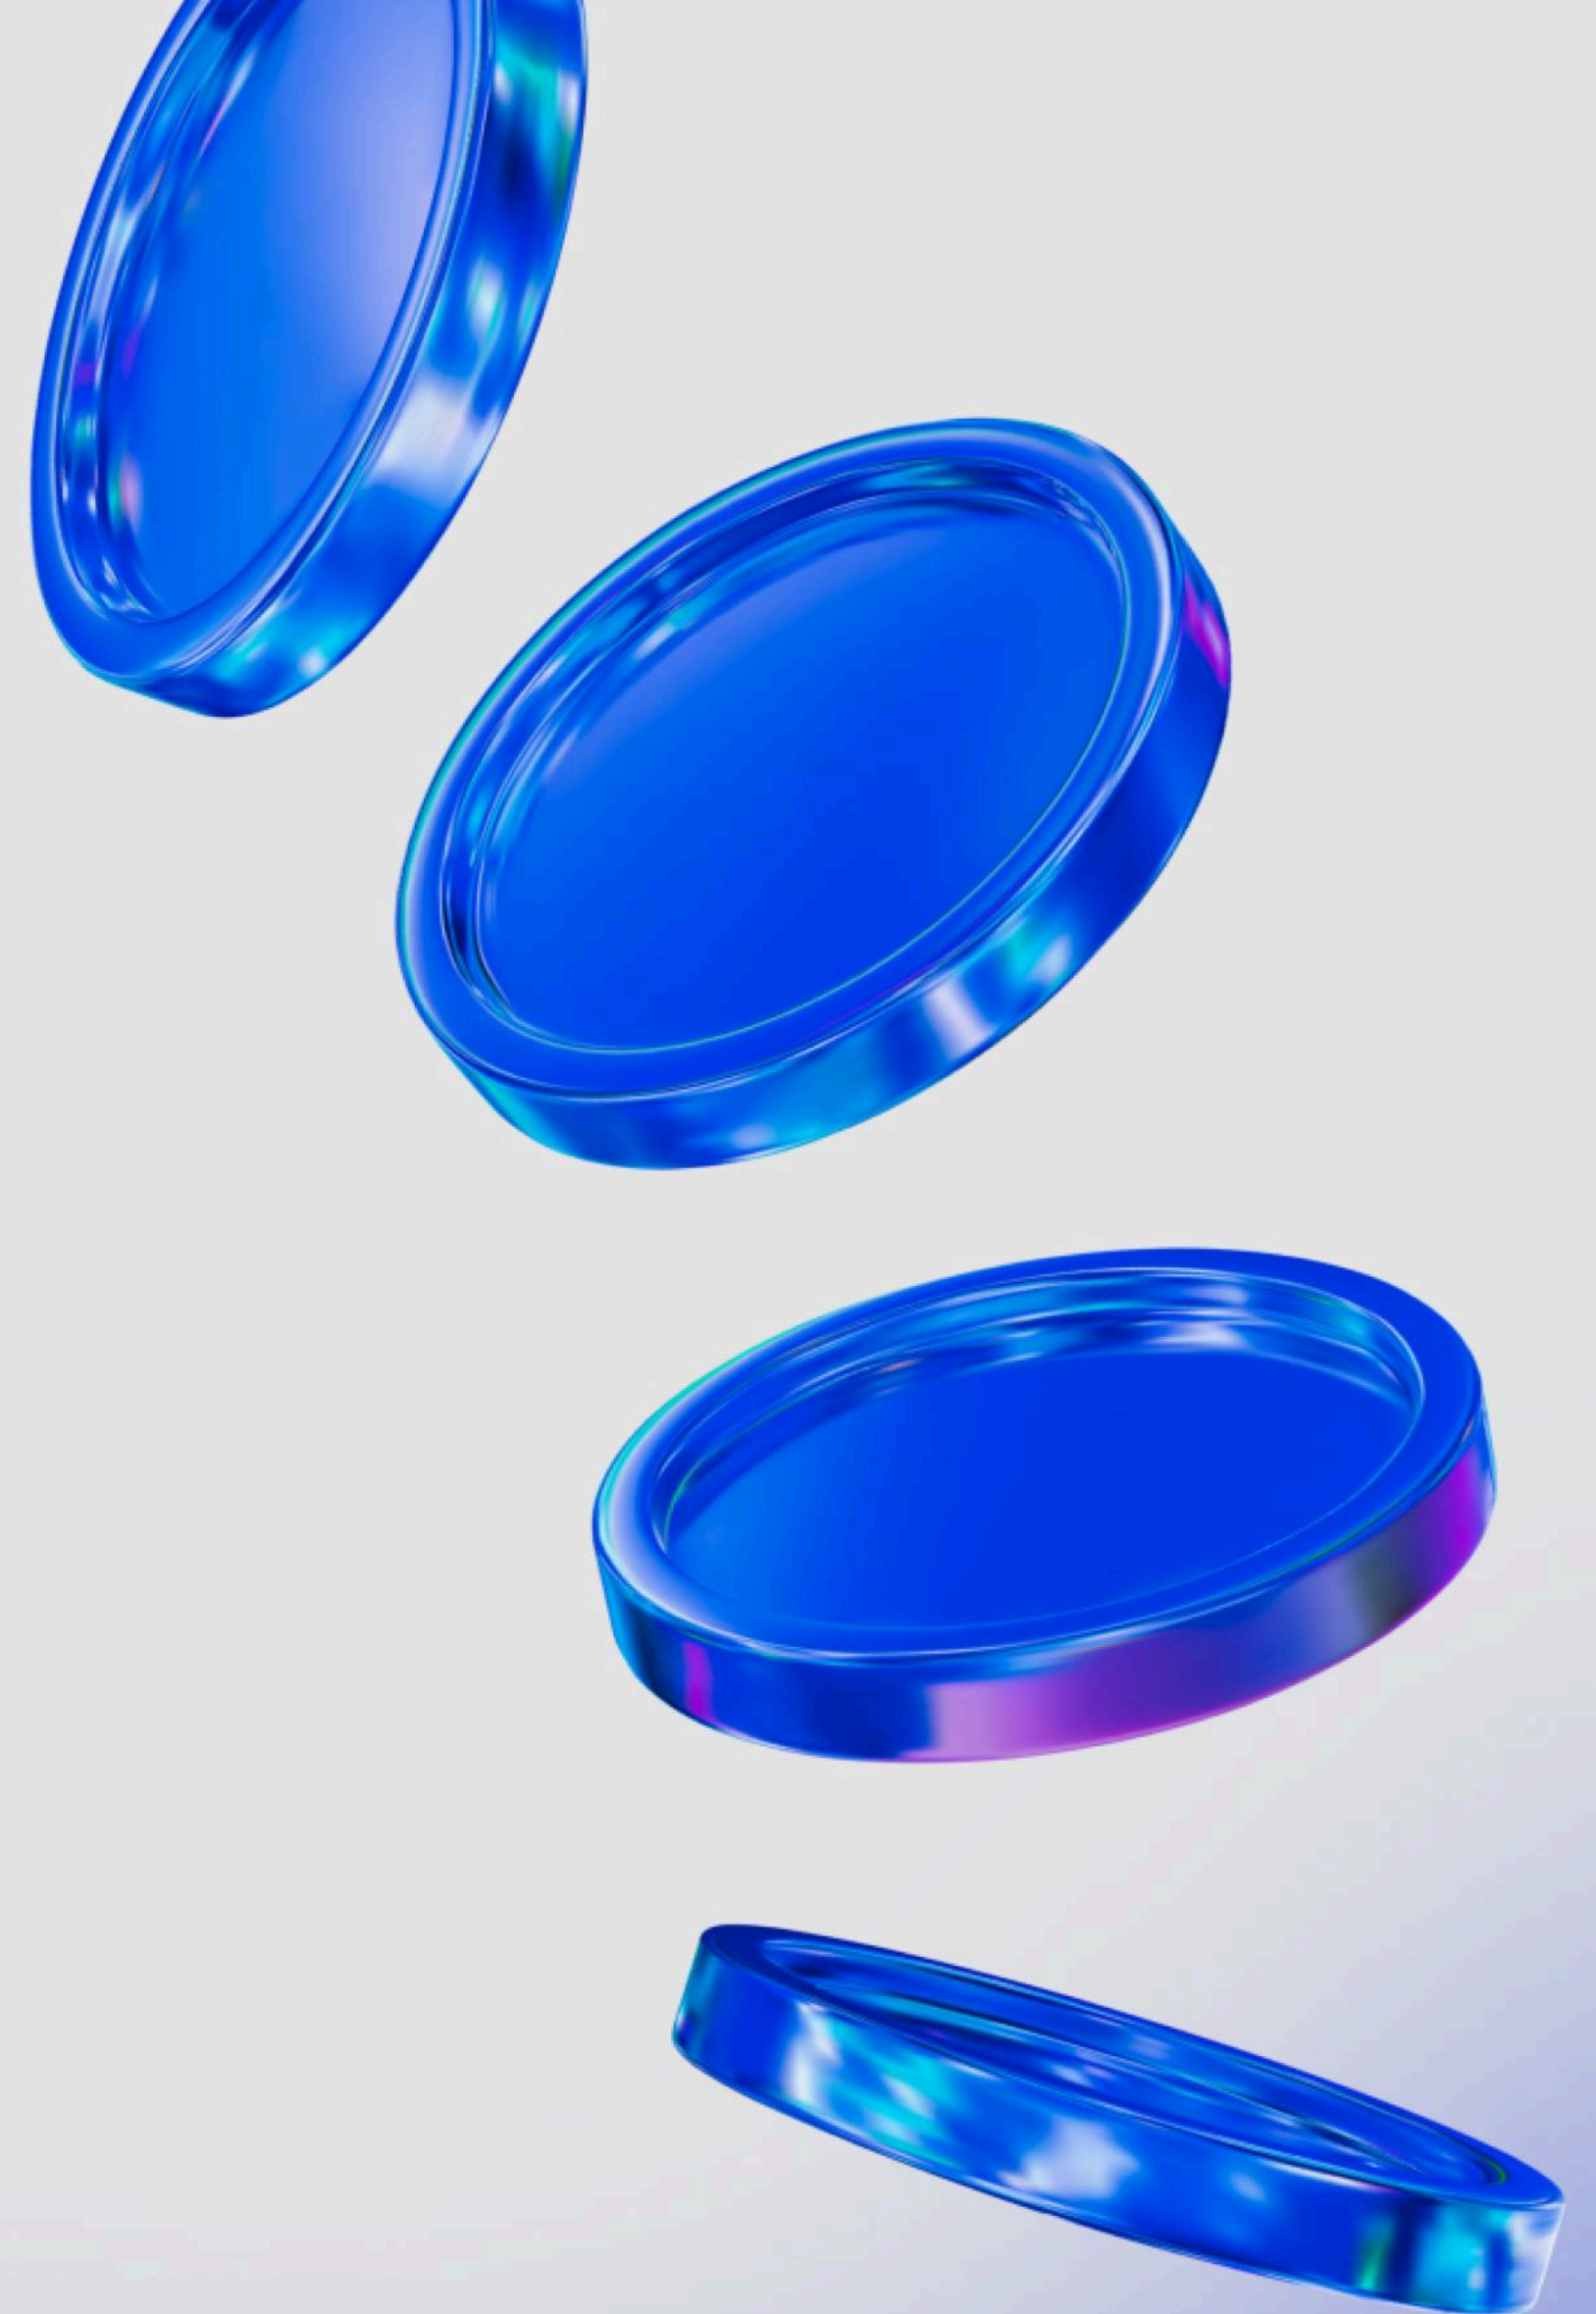

Regulatory & tax variability adding too much uncertainty in your business

Limited payment methods reducing your reach to customers with less access to traditional banking

Fraud & chargeback exposure complicating your operations

Settlement delays & liquidity risks disrupting cash flow & reconciliation

Low approval rates from international acquirers

Simple solutions for **complex problems.**

Our approach is simple:

Industry-tailored payment solutions that keep our merchants ahead of the game.

The result? Smooth operations, effortless checkouts and happy, loyal customers.

How?

High transaction limits give VIP customers the flexibility they need and your business a boost in conversion.

Extensive local payment options enable you to accept LatAm customers' most preferred ways to pay, including direct Pix access.

High approval rates reduce declines and increase conversion.

Strong fraud & chargeback protection keeps revenue safe & detects suspicious activity early.

A live balance dashboard fuels faster data-driven decisions.

A unified API simplifies integration and ensures frictionless user journeys.

Cross-border FX & fast & frequent settlement ensure seamless processing across currencies and markets.

Why **PayRetailers?**

Higher **conversion**.
Faster **growth**.

Increase acquisition

Boost acquisition by offering the most trusted local payment methods for each market.

Reduce fraud

Secure alternative payment methods and local compliance support keep fraud at bay.

Maximize engagement

Instant deposits and quick payouts keep customers happy and engaged.

Supercharge growth

Our single integration simplifies and optimizes cross-border operations, accelerating your market expansion across LatAm.
